- The templates that we give you are for the most part just examples for you to use to store and save data. You are free to alter them to serve your purpose and style. (unless we specifically tell you not to alter)

UrTruck Transportation Training Grading

UrTruck Transportation Training does not use multiple choice, match or true or false questions.

- The purpose of our grading system is to ensure that you learn and retain the information taught in our classes.
- As instructors we need to see that you understand completely what is being taught, therefore all quiz's, reports and projects will be in essay form.
- We want it in your own words so we fully understand that you have comprehended each lesson.
- You are graded on the completeness of each response and the detail you provide.

UrTruck Transportation Training Grading

UrTruck Transportation Training does not use multiple choice, match or true or false questions.

- When you submit an assignment, quiz or project for grading and review you will need to allow up to 48 hours to receive the results.
- We have a limited staff for this purpose and run a full service Freight Brokerage and Trucking Company. So you can see we are quite busy, but we always make time for our students.
- We are always paying attention to your work ethics, timeliness of your work completion, accuracy of your typo's and data as well as your attitude toward the work.
- All of this is figured into your total grade. All 100% correct answers alone will NOT get you a 100% final grade.
